Phil,

I notice the headings went a little haywire in the pdf processing. Please use this version instead.

Phil, we can include your additional charts. We need to make a few amendments to our previously served 3rd supplemental invalidity contentions as well. I'm attaching a clean and redline version. There are no changes to the exhibits, which I'm also reattaching.

Please prepare the letter motion.

Hi Louis, checking in on the below. If you would like for me to draft the motion, I would be happy to do so. Thanks.

Sincerely,
